

County Funds Marked For Road Improvement

A total of \$142,000 was allocated to the city of Torrance this week in separate actions by the Board of Supervisors.

Supervisor Kenneth Hahn said \$100,000 was provided from the aid-to-cities account for maintenance and minor improvements to numerous streets within the city.

Specifically earmarked for the improvement of Crenshaw Boulevard between Del Amo

and Maricopa was a \$42,000 allocation.

"Cooperation between the county and the city of Torrance provides better roads for motorists throughout the area," Hahn said.

Supervisors also accepted as completed the improvement of Torrance Boulevard between Normandie Avenue and the Harbor Freeway in Carson, a project spearheaded by Hahn to provide motorists of this area greater safety and convenience.

Burglars Loot Area Home

Burglars ransacked bedrooms at the home of Aloysius Gayda, 4138 W. 173rd Place, Saturday night after prying open a window, police have reported.

Gayda reported the loss of a color television set, two rifles, jewelry, and miscellaneous items valued at more than \$1,000.

Garden Checklist

1. Plant Zinnias, Scarlet Sage (Salvia), Marigolds, Vinca (Periwinkle), and other annuals for a mid-summer shot of color in your garden.
2. The foliage of spring-blooming bulbs should be dried-off by this time. It should be cut back, if such is the case.
3. Keep watching Tuberous Begonias for signs of mildew. Best control is to spray before it shows up.
4. Be sure to pick-up fruit that falls off your trees to avoid a fly problem.
5. Shade newly-planted annuals from the hot sun for a day or two, and water frequently until established.
