... Profile: Jay Tunney

(Continued from Page C-1) the largest realtor in the

last fall when Tunney met his future bride at a party in Washington, D. C. Tun-ney described their meeting as "love at first sight." "I instinctively knew this girl was right.

The meeting touched off a jet-set courtship that culminated in marriage Feb.

The bride turned out to be none other than Mary Ann Kelly Smith, the first woman reporter to be sent to a war zone by the Associated Press since World War II. In her eight-year career with AP, Kelly Smith saw action in Vietnam in addition to covering assignments in New York, Miami, Washington, and Europe.

The couple now lives at Marina del Rey, enjoying sea breezes at the tip of one of the "fingers" of land that points out into the ocean. Boating is their latest interest and they have their hearts set on purchasing a 30-foot cruiser in the near future.

If boxing didn't turn out to be Jay Tunney's forte, an impressive list of other sports did. He shoots golf in the high 70s or low 80s and is also fond of tennis, scuba diving, and individ-ual sports in general. More interests are mountain climbing, camping, and read-

Jay says if he ever but-tonholes a sizable chunk of money, he's going to see the world. Tunney whetted the world. Tunney wheeted his enthusiasm for travel during a six-month study tour of Germany, during which he learned fluent German in a special inten-sive program for foreigners.

"There's nothing I like more than a stranger bemore than a stranger be-cause they take everything at face value," Tunney phil-osophizes. "Only people who know each other start kid-ding each other and conjur-ing up demons about each other."

Diabetic Meeting Planned

"Pitfalls of Diabetic Management" will be the topic of discussion at the next regular meeting of the Long Beach chapter of the Diabetes Association of Southrn California when it meets at 7:30 p.m. Tuesday at the Long Beach Health Dept., 2655 Pine, Long Beach.

Michael J. Perley, M.D., micnael J. Perley, M.D., will be the principal speaker. Dr. Perley attended Wash-ington University School of Medicine and is currently practicing Internal Medicine with a sub-specialty in dia-betes and endocrinology.

Two Native Sons Blazing Fiery Record of Success June's traditional gradua-tion rites meant a little more to at least one Torrance family—a family with two sons gaining major goals just

sons gaining inajor goals just four days apart. Darel and Don Lee Kelley, sons of Mr. and Mrs. Don Kelley of 1415 Beech Ave., have made their marks be-

fore in Torrance. Each was born at Torrance Memorial Hospital, and each is the son of a native daughter of Torrance. Their mother, the daughter of the late William Everetts of Tor-rance, was born here. Their father, Don, has been in the real estate business here and operated barber shops since

DON LEE was graduated from Torrance High School in 1957 and was admitted to practice law in California and Federal courts last June hopes soon to establish a lower course last June hopes soon to establish a lower course last June hopes soon to establish a lower course last June hopes soon to establish a lower course last June hopes soon to establish a lower course last June hopes soon to establish a lower course last June hopes soon to establish a lower course last June hopes soon to establish a lower course last June hopes soon to establish a lower course last June hopes lower c

and Federal courts last June 19 after being graduated cume laude at the head of his law class at Southwestern University.

Darel, who was graduated from Torrance High School in 1959, received his bache-lor of science in education from Long Beach State College just four days earlier on June 15. He plans to continue studies toward a mas-ter and doctorate in educa-

On the way to their ne accomplishments, each Kelley brother has compiled an impressive record of scholarship and service.

DON'S CAREER at Tor rance High prior to his 1957 graduation included election graduation included election as president of his class in the 10th, 11th, and 12th grades, and president of the student body during his senior year; selection as a repre-sentative to Boys State; membership in the California Scholarship Federation; ac-tive membership in Tartar Knights, and captain of the Tartars' track team. He also ound time to be active in dramatics.

He attended the Univer-

sity of Southern California on a scholarship and was named the outstanding male freshman, was a senator in the student congress, a mem-ber of the freshman track team, chaplain of the Sigma ber of the freshman track team, chaplain of the Sigma Phi Epsilon fraternity, and a member of the Squires honor society and the Tro-jan Knights, a service group.

DON HAS BEEN an active member of the First Baptist Church of Torrance, was an Eagle Scout, won the God and Country Award and

Road Crews Will Work At Night

A suggestion by Supervi-or Kenneth Hahn that sor Kenneth Hahn that maintenance and repair crews work at night on free-ways has been acknowledged by State Highway Engineer J. A. Lagarra.

Lagarra informed Hahn that some maintenance on-

that some maintenance opthat some maintenance op-erations and certain con-tract work is being accom-plished at night or during periods of low traffic vol-ume to treduce the interfer-ence to traffic during rush

He emphasized, however, that the prime considera-tion is the safety to the workmen and the traveling

Hahn cited reports from the State Division of High-ways showing that in many cases work can be accomcases work can be accom-plished faster and as safely with little inconvenience to motorists between the hours og 9 p.m. and 5 a.m.

Puppetry Classes Scheduled

Registration will begin

Registration will begin for classes in puppetry for youngsters ages 6 to 12 Mon-day at the Joslyn Center, 3335 Torrance Blvd. In one of Joslyn's most imaginative classes, children will be taught the construc-tion of rod and string pup-pets, marionettes, hand and finger puppets.

finger puppets.
Two Monday and Wednesday classes will be offered from 9 to 11 a.m. and from 1 to 3 p.m. Classes will meet
