Drivers Needed In Area

A seven-month-old Lawndale child and a 60-year-old Torrance woman are among local cancer patients depending upon volunteer transportation service to and from Los Angeles area medical centers where they can receive specialized treatment.

Any person willing to volunteer a weekly turn on the freeway on their behalf is urged to contact the American Cancer Society office 16503 Hawthorne Blvd., Lawndale.

Calling for at least five drivers - one each day of the week - is Mrs. Harold (Jackie) Housley of Lawndale.

• • •

AS TRANSPORTATION chairman for the society's Centinela Valley-South Bay District, Mrs. Housley schedules driving assignments to Children's Hospital, UCLA Medical Center, and local hospitals where most patients must go for prescribed Cobalt and other forms of cancer treatment — sometimes on a daily basis.

Noting that the average assignment takes from three to five hours, she said that every effort is made to arrange appointments according to the convenience of both driver and patient.

Urging a wholhearted response to the current critcal need for transportation assistance, Mrs. Housley said "a bountiful corps of volunteers will mean that every patient will receive the care he needs - when he needs it!"
