

'Spirit' Is Topic of Sermon

"Spirit" is the subject of the Lesson-Sermon in all Christian Science churches this Sunday. Services at First Church of Christ, Scientist, 218th Street and Manuel Avenue, will begin at 11 a.m.

Among Bible selections included in the Lesson-Sermon is a verse from II Timothy: "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind."

Related passages from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following: "To have one God and avail yourself of the power of Spirit, you must love God supremely."

An eight-day church school program will get under way later this month at the WALTERIA Methodist Church, 3646 Newton St.

Inglewood Assembly Under Way

The entire Torrance Congregation of Jehovah's Witnesses is attending a four-day district convention this week. The assembly is scheduled at The Forum tomorrow through Sunday. At least 15,000 delegates representing 170 Southwest congregations are expected.

Leonard Olliff, presiding minister of the Torrance Congregation, announced that all local services of the congregation are being suspended during the assembly. Olliff said Friday afternoon's sessions will be of particular interest to the many family groups that will be attending.

"We are looking forward to this milestone in the assemblies of Jehovah's Wit-

nesses as we expect to hear much to remedy the problems besetting Christian families today and how to successfully cope with them," Olliff said.

On the program will be district and circuit supervisors as well as other ministers of the Watchtower Society.

Featured talk of the assembly will be "Man's Rule About to Give Way to God's Rule." It will be given Sunday at 3 p.m. All sessions are free, no collection will be taken, and all interested people are welcome.
