### Glee Club Seeks New Members

An opportunity to join the El Camino College Men's Glee Club is being offered by Crist Mikkelsen, director and a member of the music faculty at the college.

Open to all men interested in music, the group will perform at both on- and off-campus events during the coming semester, Mikkelsen said. In past years, glee club members have taken part in programs at the Sports Arena and the Inglewood Forum, as well as singing for other local community groups.

To be a member of the Men's Glee Club, registration in Music 56 is required. The course is a 1½-unit class meeting Monday, Wednesday, and Friday at 10 a.m.

REGISTRATION for this and other classes for the fall semester at El Camino begins Monday for returning full-time students with priority registration. New and re-entering students may register Sept. 3, 4, and 5. Last day to register is Sept. 6.

Persons registering for classes at El Camino must be a legal resident of the El Camino District and a high school graduate or at least 18 years of age.

The figure represents "units of participation," not an actual headcount, the report stated. One individual may have participated more than once.

Some 17,699 persons took part in activities at area playgrounds during the month, the statistics also revealed.
