Recreation Department Schedules Ski Classes

Teens, adults and families can now register for the first session of Dryland Ski School classes held on Wednesday nights beginning today and ending Oct. 16.

The class, instructed by Fred Passa, will be split into two, one- and half-hour classes, the first group meeting from 6:30 until 8 p.m. and the second group from 8 to 9:30 p.m.

On the second, fourth and fifth class nights, partici-

pants will practice on snow at La Romeria Park, 19501 Inglewood Ave. Ski equipment, which includes skis, boots and poles will be needed for these classes and can be rented from local shops.

There is a \$6 registration fee for the five-week class sponsored by the City of Torrance Recreation Department. Registration will be taken at the Joslyn Center, 3335 Torrance Blvd.

WHAT'S DOING?

Maybe you know some boy who'd like to be a Cub Scout or a Boy Scout. A good time for him to join is during the Scouting Roundup that's underway this fall, and lots of new packs and troops are forming. You can help out by recruiting boys, or by volunteering as a leader or a sponsor.

Keep an eye out for announcements and publicity about the fall Scouting Roundup Program, Scouting Roundup Week, and School Night for Scouting.

United Way has started its annual crusade. From September through Thanksgiving volunteers work to promote this worthy cause. In the Torrance area please call 328-8650. If you want a chance to say "I care," do it through giving in a "United Way."

Any time you have a question about phone service you'll find a real friend in your Service Representative. Whether it's about a new extension phone, your telephone bill, or something else, she's always eager to help you get the best possible service. So don't hesitate to give your Service Representative a call at our Business Office.

The Los Angeles Area Council can be reached at 385-3461.

I thought you might like to have a few tips on saving time and money when you call long distance. Well, what I do is jot down beforehand the things I'm going to say so I don't forget them during the conversation. And, of course, when you're sure the person you want will be there, calling station-to-station costs less than person-to-person. For additional information about long distance calling, take a look at the front pages of your phone book.
