

# Thomas Endorses United Crusade Tops Proposition 1-A 25.5 Per Cent of Goal

Proposition 1-A on the Nov. 5 ballot, the tax relief measure approved for referendum vote by the last legislature, today was endorsed by veteran legislator Vince Thomas (D-68th District).

"I urge all my constituents, of both parties, who truly have the state's best interests at heart to vote 'Yes' on Proposition 1-A," Thomas said. "It was overwhelmingly approved by assemblymen and state senators of both parties, and I honestly believe it is the best tax-relief plan before the electorate at this time."

Assemblyman Thomas, who voted to place 1-A on the ballot, said the measure will give a \$70 cash rebate

on his taxes to every homeowner in California almost immediately, and business and industry will benefit from a 15 per cent reduction in inventory taxes. Renters will also be given sharp income tax benefits under Proposition 1-A, he added.

Proposition 1-A is NOT a constitutional amendment, and any "bugs" that develop can be corrected by simple legislative actions.

Every homeowner will have the benefit of a \$750 reduction in the assessed valuation of his property every year after 1969—an average tax saving of \$50 or more for each family, and renters will also benefit, Thomas said.

The United Crusade has reached 25.5 per cent of the 1968 goal of \$28,200,000 with corporate, employee, and residential contributions totaling \$7,188,382.

The new total, which was reported at a meeting of the United Crusade Campaign Cabinet last Thursday puts the current campaign \$350,000 ahead of the 1967 drive.

The 14 areas of United Crusade have reached 26.3 per cent of the goal with funds totaling \$1,170,006. Leading the area campaigns for funds for the support of voluntary health, youth and welfare services is Pomona Valley, which has hit 45.3 per cent of its individual goal with funds totaling \$106,566.

Other outstanding area campaigns include East San Gabriel Valley, 39 per cent; Antelope Valley, 35.6 per cent; Central Los Angeles, 29.1 per cent; Rio Hondo, 28.9 per cent; and San Fernando Valley, 27.2 per cent.

Cited for their significant contributions to United Crusade were Children's Hospital employees, who have nearly doubled their contributions to the campaign. The employees of the medical center, one of the 244 agencies supported by United Crusade funds, have increased their contributions from \$26,000 in 1967 to \$42,000 in the current campaign.

**ADDED BENEFITS**  
Increased compensation payments for nearly 2 million service-disabled veterans will begin in 1969.
