

EUGENE E. MEYER JR.

Meyer Merits Honor

To be honored as Citizen of the Month of November, Eugene E. Meyer Jr. of the Redondo Beach Fire Department will be receiving his second civic award in as many months.

He was previously honored for rushing into a burning home, while off duty, and saving a child who was trapped inside.

Meyer's recognition as Citizen of the Month is for a different kind of contribution to the community — creating an organization of teenagers, the South Bay Youth Council, which works in cooperation with civic officials to create a better understanding in young people of the importance of due process of law as a means of constructive social progress.

The Citizen of the Month award program has been sponsored by Great Lakes Properties, Inc., since May, 1966.

Meyer established the South Bay Youth Council about eight months ago, working with high school students with whom he had made friends in the course of his duties.

Meyer is president of the Redondo Beach Firefighters Association, which stages an annual benefit dance to support youth activities in the city of Redondo Beach, and he has worked in various programs for young people all of his adult life.

The South Bay Youth Council formally includes themselves, under Meyer's direction, are setting up criteria for selection of teams to visit Sacramento and Washington, becoming even more familiar with the workings of government.

An advisory group of civic and business leaders works with them, but all responsibility for fund-raising remains with the teenagers.

Meyer will receive the Citizen of the Month award at today's luncheon meeting of the Redondo Beach Rotary Club, to be held at the Lobster House.
