El Camino Slates Miller's 'Crucible'

"The Crucible," will be presented Friday and Saturday, Dec. 6 and 7 and 13 and 14, in the El Camino College Campus Theater by the theater arts department. Curtain time is 8:30 each evening.

Seats are \$2 to the general public and tickets are on sale at the college bookstore.

Theater arts instructor Peter Henderson, who has been rehearsing the group for five weeks commented, "These are the most experienced and talented actors than I've ever worked with."

The 25 drama students, who were selected from nearly 100 who tried out, will perform Arthur Miller's play which deals with the Salem witch hunts of early New England. The play explores the roots of intolerance and mass hysteria that swept a community when some of its members broke the rigid Puritan moral code of the era.

"Considering the powerful script, I'm very glad we have a cast with such solid acting background," said Henderson. "I've got a much older cast than usual," the director continued, "and all of my principal

actors are well versed in acting and directing," he added.

Lew Brunhke and Austin Reingold, two key players, have both acted and directed in plays in the community. Brunhke has directed at Chapel Theater and Reingold is a director for the Palos Verdes Players.

Others in the cast include Marsha Cook, James Failing, Poke Runyon and Bonnie Lee.

Stamp Club Christmas Party Set

The Torrance Stamp Club will hold its annual Christmas party Monday, Dec. 16, at its final meeting of the year.

A gift exchange will be held and each member also will receive a gift from the club. Coffee and donuts will be served.

The group meets at 7:30 p.m. in the Scott Park Community Building, 23410 Catskill Ave., Carson. All stamp collectors are invited to attend the meetings.

Venereal Disease Clinics Open Friday

The Board of Supervisors, by allocating \$240,000 for venereal disease control, has made it possible for the County Health Department to operate 24 new clinics beginning Friday, Dr. Gerald A. Heidbreder, county health officer, announced today.

"While this is a stop-gap measure to treat venereal disease victims who have contracted gonorrhea and syphilis, we are thankful to the board for its effort in giving additional financial support for this serious problem," Dr. Heidbreder said.

New venereal disease clinics which will be in operation Friday are one clinic each in Bellflower, Bell Gardens, Canoga Park, Culver City, El Monte, Hollywood-Wilshire, La Puente, Pomona, San Pedro, Santa Monica, Torrance, Whittier, and Wilmington.

There will be two new venereal disease clinics in these communities: Compton, Inglewood, South and West Hollywood.

In addition, there will be three additional venereal disease clinics in the Southwest area. Anyone desiring treatment in

these new VD clinics should contact the Health Centers in the communities listed above, or may receive information as to the time and hours by calling the Venereal Disease Control Division at the County Health Department Administrative Office.

At Conference

Robert S. Dollarhide, guidance consultant for the Torrance Unified School District, will attend a conference on measurement and evaluation to be held in Carmel today and tomorrow.
