more profitable days may lie ahead for the plant-food makers. International Minerals Chemical — with vast potential raw materials resources on more than one continent — appears to look come and look of the look of the look of the plant-food makers. It is soft the storm comes, the look of the purpose of look of the look of the purpose of look of the purpose of look of the materials resources on more out better than stocks. If it does than one continent — appears to not come, 6½, 7 per cent and hold little risk at current levels even higher incomes from senior for long-term purchasers with

signs of emerging from the investment pall that has enshrouded them for some time. They offer both income and growth. Try Texas Utilities for the latter and Niagara Mohawk for the former.

BONDS STILL ON
BARGAIN COUNTER
With stocks all the rage, bond buyers among individuals have become "scarcer than hens' teeth." Yet bonds are selling at the lowest prices and the highest income yields of this century... yes, in many cases, for a full 100 years. We state emphatically: If the inflation prospects are as sure-fire, as pervasive, and as long and sizable runup, we had a long and sizable runup, we had a long and sizable runup, we had a long and sizable runup, we light to the fit of the complete the time of sale. Trustee under said Deed of Trust, in and to the following described proparty to "wit." Lot of Cally of the surgest of the Cally of the purpose of paying obligations of the purpose of paying obligations of the purpose of paying obligations of the purpose of paying obligations. bold little risk at current levels for long-term purchasers with patience.

Life Insurance — Hailed five years ago as "the greatest" for appreciation, life company stocks overshot their dynamic possibilities and were disdained by speculators for several years.

In 1968, however, life stocks—with management becoming much more aggressive in diversifying — again began to stir. The persevering speculator might find opportunity in Life Insurance of Kentucky.

Electric Utilities — Electric power stocks, one of the soundest growth areas, are showing signs of emerging from the investment pall that has enshrouded them for some time. They offer both income and growth. Try Texas Utilities for the latter and Niagara Mohawk for the former.

BONDS STILL ON

years. We state emphatically it the inflation prospects are as sure-fire, as pervasive, and as unpreventable as many would have us believe, we doubt that the ownership of common stocks have us believe, we doubt that the ownership of common stocks have us believe, we doubt that the ownership of common stocks have us believe, we found that the ownership of common stocks have us believe, we found that the ownership of common stocks have us believe, we found that the ownership of common stocks have used to convertible the ownership of common has become inflated.

(Continued from Page A-1) scribed the victim as the department's top "morale boost-ter."

RISKS TO RISE

AS YEAR LENGTHENS

The nation is now in the days of hope ... the honeymoon of the electorate with the new Administration. But the "changing of the guard" at the White guard" at the White guard" at the White served as a member of the bomb disposal squad and had placed high on the sergeant's promotional examination six months ago.

Ripp stein had volunteered many hours of his own time to help with the staff work to present a helicopter patrol plan to the City Council at the last budge the hearings. He was within a few hours flying time of receiving his helicopter pilot's license.

RISKS TO RISE

AS YEAR LENGTHENS

The nation is now in the days of hope ... the honeymoon of the electorate with the new Administration. But the "changing of the guard" at the White House is not likely to be accomplished without causing uncertainties. With business and the stock market bowling along to the ward new highs, the risks of change lean toward increasing exposure as the euphoria of early post-election comes to full bloom.

As we peer into 1969, the staff of Babson's Reports. Inc. forements and the financial fromts. But we also are convinced that as the year length efforts. But we also are completed and delivered to the undersigned a written fromts. But we also are convinced that as the year length efforts. But we also are convinced that as the year length efforts. But we also are convinced that as the year length efforts. But we also are convinced that as the year length efforts. But we also are convinced that as the year length efforts. But we also are convinced that as the year length efforts. But we also are convinced that as the year length efforts. But we also are convinced that as the year length efforts. But we also are convinced that as the year length efforts. But we also are convinced that as the year length efforts. But we also are convinced that as the year length efforts. But we also are convinced that as the year length efforts. But we also are convinced that as the year length efforts. But we also
