

Auxiliary Will Hear Mary Jane Collins Now Mrs. Barry E. Murray

Harbor General Hospital Auxiliary will hold its general meeting on Tuesday, Feb. 4, 2 p.m. in the Assembly Room at Harbor General Hospital. Guest speaker will be Dr. Stanley Tobias, assistant chief of Receiving and Emergency Department at Harbor General, whose topic of discussion will be "Emergency Room Care." Dr. Tobias is also a clinical instructor at UCLA School of Medicine. He is a local resident living in Palos Verdes Estates.

Each month the Women's Auxiliary is offering a guest speaker and these general meetings are open to the public. Many of the members of the Auxiliary are presently working in the emergency room as well as other parts of the hospital. Their contributions toward betterment of the hospital and to the patients throughout the many years have been numerous. Those interested in attending the meeting or joining the Auxiliary workers may attend this meeting or contact the president of the Harbor General Hospital Auxiliary, Mrs. Paul Lorhan.

Clubwomen To Attend TV Show

Today, 35 members of the Torrance Woman's Club headed by their president, Mrs. Robert Winship, will gather at the Palms restaurant for a luncheon.

After the luncheon, they will board a chartered bus which will take them to the taping of the television show "Truth or Consequences." The film will be shown in about two weeks.

Use Newspaper

Shop wisely by using your newspaper. Check food ads and see what's on "special." Plan around the specials, using favorite recipes, your imagination and courage to try new foods.

Cold Vegetables

Give your family (guests, too) a change from tossed salads by serving cold vegetables. Chilled, canned asparagus with easily made vinaigrette topping is colorfully appealing, especially when Greek and Italian olives, pimiento strips and onion are added. Popular three-bean salad makes use of leftover beans and can be combined and chilled in advance.

Smith of Long Beach was flower girl.

Mike McClain performed the best man duties and ushers were Jim Dooley, Mike Farrell, Rod Everling of Long Beach, and David Test of Brea.

A reception was held at the church. Miss Sherri Swafford of Torrance was in charge of the guest book.

The new Mrs. Murray attended elementary school in Europe and was graduated from South High in Torrance. She received her degree from California State College at Long Beach and was employed by a Long Beach department store.

Her husband attended high school in Long Beach and Brigham Young University. He is presently in Officers Candidate School for the United States Army in Fort Benning, Ga., where the newlyweds are residing.

Investment Class For Women Now at YW

An "Investments" class, slanting the information to the needs of women, since they are often the basic security holders in the country, is being offered by the Torrance YWCA, 2320 W. Carson St.

Some of the subjects to be covered include putting money to work, differences between bonds, preferred stocks and common stocks; the risks in investing and inflation, the risk in not investing.

Others are the market, how it used to be, how it is today; how to read the financial page, market terminology; dividends, and capital gains; bull and bear market.

The course will be led by Thomas J. Leonard Jr., registered representative with Powell, Johnson and Associates, Inc., a member of the Pacific Coast Stock Exchange. The course also includes a visit to the Pacific Coast Stock Exchange.

Cake Mixes Keep

It's an old wives' tale that cake mix cakes don't keep well. Early in their development, cake mixes were inferior and the cakes they produced were tasty only for a few hours. Today, the cakes keep as beautifully as the home baked variety — some

experts say it's impossible to tell which cake comes from a "box" and which from a grandmother.
