Would you lose money if you took \$10,000 out of your savings account tomorrow?

not at Western Federal.

Keith Leachman, Vice President and Regional Manager. Inglewood Office: 355 E. Manchester Boulevard Phone: 673-3820

Most savings institutions (including the five largest) require that your funds be held for 90 days before they earn full dividends. But not Western Federal. Your savings with us earn 5%, compounded daily from day in to day out without

any minimum holding period required. It may seem like a little thing...until you need funds after only, say, 80 days. Then you realize you've lost up to \$111.80 in dividends we would have paid. Assets over \$230 million. Look Ahead... See Western Fed
