Market Basket Discounts Prices on Quality

Products—No Games, No Stamps, No Costly "Extras"...

Most stores claim to have low prices. But on what—on a handful of items, or inferior products? Not Market Basket. We discount prices all through the store (except Fair-Traded or government controlled prices). And guarantee satisfaction or your money back on every purchase. True, you give up games and stamps to shop at Market Basket. But you get bargains and quality always, every day. See for yourself!
