## Newly Organized Las Vecinitas Group

Las Vecinitas is the name chosen for the newly-formed junior auxiliary to the Las Vecinas Woman's Club. Organized in January this year, under the guidance of Mrs. Charles John and Mrs. Charles Meng, the juniors are daughters of Las Vecinas members. They are girls from the 9th through the 12th grades in local schools.

Goals for this new group are community service, hospital volunteer work, club participation, self improvement, charm and social graces.

Las Vecinitas members were presented to the Las Vecinas membership at its June meeting

held at the Indian Village restaurant. Each girl was given a charm denoting her charter membership in Las Vecinitas.

The members are now in the process of preparing their by-laws, programs for the year, and planning fund raising projects. They are eagerly anticipating their first fund raising project, a Teen Back-to-School Fashion Tea in the early fall. They also hope to do volunteer work at one of the local hospitals during the coming year.

Although still in the process of organization, the girls have

contributed approximately four hours per week for 13 weeks in volunteer work at the Del Amo Gardens Convalescent Home. They prepared 75 tray favors and a set of 50 enlarged game cards for the patients at Del Amo.

Meetings are monthly potluck dinners, rotating the hostess and food chairman each month.

Las Vecinitas officers for 1969-70 are Misses Wendy Malone, president; Janie Lowder, vice-president; Janet Lane, secretary; Donna Schmidt, treasurer; and Shari Harvey, historian.
