

SOCCER LEAGUES TO BE ORGANIZED

Boys soccer leagues sponsored by the Torrance Recreation Department will get under way at three Torrance playgrounds on Monday, July 7.

Boys interested in learning soccer rules and team competition may participate in the leagues. They will be divided into junior soccer for boys 9 to 11 years old and pee wee soccer for boys 6 to 8 years old.

Leagues will be held at Magruder Playground, 4100 185th St.; Jefferson Playground, 21717 Talisman St.; and Riviera, 365 Paseo de Arena.

Junior Soccer will hold clinics for new players and conduct city-wide leagues.

Pee Wee Soccer Leagues will be aimed at teaching boys the basic skills of the game using adapted fields and rules.

A high school league is now playing evening games Monday through Thursday at 6:30 p.m. at South High School, 4801 Pacific Coast Hwy.

Last year 16 teams made up four leagues from the South Bay area. Spectators are invited to attend all games.

Basketball Practice Begins for All-Stars

Practice got under way for 60 outstanding young basketball stars Monday afternoon in preparations for the second annual Southern California all-star prep basketball classic, July 9, at the Forum.

The four teams which will participate in the doubleheader reported for physical exams and picture-taking Monday morning.

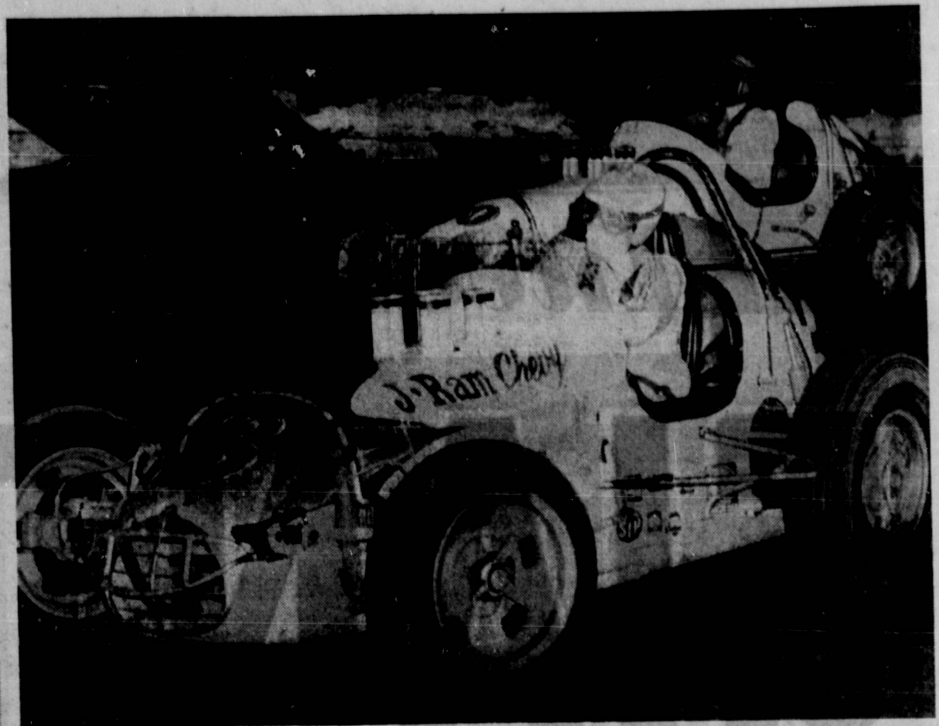

Los Angeles City all-stars, coached by Jerry Marvin of Palisades High, will meet the southern section 4-A all-stars, skippered by Bill Armstrong of Compton High, in the featured half of the doubleheader.

In last year's inaugural game between the two sec-

tions, the Los Angeles City team, directed by Crenshaw's Jim Ryan, tripped the Armstrong-coached Southern Section, 113-108, in a sensational battle before 7,333 spectators.

Replacing last summer's Southern Section 2-A vs. 1-A game is an East-West collision of combined 3-A, 2-A, and 1-A players. The East all-stars are coached by Jim Stephens of Garden Grove, their West rivals by Chuck Reilly of Beverly Hills.

Each of the four teams consist of 15 players. In the preliminary game rosters, five players each from 3-A, 2-A, and 1-A schools make up the East and West clubs.

SPRINT CAR RACES... The Indianapolis-type auto racing at Ascat Park usually features Jimmy Oskie (3) of Maywood and Paul Jones (30) of Torrance

among the leading drivers. They will be on hand for Saturday night's eight feature events at the track.

Vanity Handicap Led by Gamely

William Haggin Perry's Gamely, national champion among older mares last year, will bid for her second straight Vanity Handicap title Saturday when Hollywood Park presents the 28th running of its championship test for distaffers.

Gamely, who later in 1968 scored important stakes wins in the east, may have run her most outstanding race in the Vanity last summer. She carried 131 pounds, a California record for a filly or mare, and defeated stablemate Princess-

nesian easily in 1:47 3/5, equaling the stages record.

The Vanity will be only the fourth time this year that Gamely has raced against members of her own sex. She handled them easily in both the Santa Monica and Wilshire Handicaps and was third when Pink Pigeon established an American record for a mile and one-quarter on the Santa Anita Turf in the Santa Barbara Handicap.

In perhaps her first race this year, Gamely was runner-up to Nodouble in the Santa Anita Handicap. More recently she again challenged the boys and was fourth to Rising Market in the Inglewood Handicap.

Gamely will have a running-mate Saturday in Desert Law, a four-year-old daughter of Court Martial who never has been out of the money in 13 career starts at Hollywood Park.

Desert Law turned in one of her finest efforts when she set a stakes record of 1:40 4/5 in winning the recent mile and one-sixteenth Milady Handicap.

Among other feminine stars expected to battle the Perry duo in the Vanity are Commissary, Hooplah, Miss Ribot, and Peggy's World.

Commissary has been one of the leading members of the three-year-old filly division at Hollywood this season, winning a division of the Senorita Stakes and finishing second in the Honeymoon Stakes.

Torrance Leads in Legion Play

South Torrance has a 7-0 record and North Torrance is 6-1 in the American Legion Bay League baseball standings.

The standings are:

Team	W	L
South Torrance	7	0
North Torrance	6	1
Mira Costa	5	2
Torrance Red Sox	4	3
Palos Verdes	3	4
Redondo	2	5
Rolling Hills	1	6
Miraleste	0	7

Saturday's Results

South Torrance 3, Torrance Red Sox 2, 10 innings
Mira Costa 5, Miraleste 8
North Torrance 4, Rolling Hills 0
Palos Verdes 4, Redondo 3

Sunday's Results

Mira Costa 5, Rolling Hills 0
Torrance Red Sox 12, Palos Verdes 3
South Torrance 9, Miraleste 3
North Torrance 7, Redondo 4

Children Plan For Camp Fun

Local youngsters are among the 161 disabled children who will attend camp this summer through the Crippled Children's Society of Los Angeles County.

Christina Dorman, 8, of 1636 W. 222nd St., will be attending Camp Joan Mier, and Larry Auflil, 8, of 1706 W. 241 St., Lomita, will be traveling to Camp Paivika.

HENGSTELAR HONORED AS BEST COACH

Dave Hengstelar, El Camino College wrestling coach, has been named Junior College Wrestling Coach of the Year by the Southern California Wrestling Coaches and Officials Association.

Dan Felix of El Camino has been named Co-Wrestler of the Year.

"I'm very happy the coaches and officials of the association feel this way. Not winning the state title and still being named for this award makes me very proud," Hengstelar stated.

Hengstelar, a former Marine, attended Santa Monica City College. He received his B.A. from the University of California at Santa Barbara and his M.A. from USC.

A former NCAA heavyweight wrestling champion and Collegiate Conference Athletic Association state college boxing champion, Hengstelar resides in Bellflower.

Abundance of Quarterbacks

There's every indication this year's Lion's All-Star Football Game may be one of the hardest contested in the history of the charity classic.

But it may be overshadowed by the battle for the starting quarterback spot on the West team when it opens practice July 17 at El Camino College. The game is Aug. 1 at the college.

West Coach Fred Petersen, seeking revenge after last year's 40-6 loss to the East, will be hard pressed to choose among three candidates for the starting job.

Bidding for the spot will be two players who shared the 'Player of the Year Award' in the Bay League last season, as well as the quarterback who led Bishop Montgomery to the Camino Real League title and the CIF playoffs.

In alphabetical order, the Big Three are: Greg Collins, an "all everything" player, whose Bishop Montgomery squad suffered only one loss during the regular season.

Coy Hall of West Torrance was co-player of the Bay League in his school's first year in this area's "big school" conference. His team was undefeated until losing to Lakewood in the CIF playoffs.

Pat Moore of Mira Costa, the other Bay League Co-Player, put his school back on the football map with its most successful season in recent years.

In terms of statistics, Coy Hall has a nedge. A roll-out quarterback, he ran for 700 yards and passed for 1,380 yards in leading "upstart" West High to its unbeaten league year.

Hall completed 67 per cent of his passes for 14 touchdowns.

Moore also carries some impressive statistics into the charity game. He accounted for 2,400 yards total offense mostly through the air in leading Mira Costa. He averaged about 35 passes a game.

Collins was such a standout he has been recruited by the University of Washington.

So it's a toss up for the starting job, according to Coach Petersen.

"Naturally we plan to throw a lot more from our pro-set offense," Petersen said. "We have good quarterbacks and equally good receivers — I don't plan to be behind by 21-0 this year."

The ends Petersen refers to are Gary Kenrick of West, one of Coy Hall's favorite targets, and Charles Nunnally and John Sain of Mira Costa.

Kendrick earned All-CIF honors and will play tight end. Nunnally had 33 receptions last season and is strong as a defensive back, while Sain, only 5 foot 4 inches, had 42 receptions and plays flanker.

Petersen will be assisted by three coaches from West High: Fred Burch (offensive line), Dennis Haruyung (defensive backs), and Max Lomas (defensive line).

The West Torrance Lions Club Game pits the 60 best graduated high school seniors in traditional East-West rivalry. Proceeds go to various South Bay charities.

Cycling Grand Prix To Be Held in July

Veteran, amateur, and novice cyclists will meet in Manhattan Beach Sunday, July 6 to compete in the eighth annual Cycling Grand Prix and other championship events sponsored by Amateur Bicycle League of America, Southern California Cycling Federation, International Wheelmen's Association, and presented by South Bay YMCA.

Live Oak Park, 1901 Valley Drive, Manhattan Beach, will be the rallying point. The course will cover 1.4 miles per

lap with two 150-foot sweeping turns, proceeding clockwise on upper and lower Valley Drive between 15th Street and Pacific Avenue.

Traditional victory wreaths and sashes will be presented to winners in each event by Miss Beach Cities, Stephanie Meier of Torrance, and her court, Princesses Jan Jeffries and Sue Downer of Manhattan Beach, Barbara Neiswender and Shelley Content of Hermosa Beach, and Vickie Bertrand and Janis Betz of Redondo Beach.

Handicap Aid Used In Racing

Speed index ratings, helpful to racing fans at thoroughbred tracks, are being used in quarter horse racing for the first time this year and will be aid in handicapping the races at Los Alamitos this summer.

Because practically all of the horses which will be at Los Alamitos have been racing at Bay Meadows, there will be speed ratings on the horses' past performance records in the Los Alamitos programs and the Daily Racing Form.

The speed ratings in quarter horse racing, according to racing secretary Donald Smith of Los Alamitos and Bay Meadows, are figured on the same basis as the thoroughbreds, with a 100 rating being the time equaling the track record. For example, the track record for 350 yards at Los Alamitos is 17.50 seconds at Los Alamitos; thus, a horse posting that time is credited with a 100 speed rating for that race.

The speed ratings in quarter horse racing actually are more accurate than those in thoroughbred events; the latter figured in fifths of a second compared to tenths of a second for the swift horses.

According to the speed index rating chart compiled by the American Quarter Horse Association, approximately five digits determined a length. For example, if a horse runs in 17.50 at Los Alamitos, his speed rating for the race is 100, while another horse finishing a length back with a time of 17.67 is given a 95 rating.

Los Alamitos will go through its first week of racing Saturday night with the \$7,000 Double Bid highlighting the nine-race activities. The race is slated for three-year and older horses going 350 yards.

Greenleaf Appointed To New Job

Al Greenleaf, golf coach at El Camino College, has been named to the new post of coordinator of athletics at the college.

The assignment is the equivalent of director of athletics at other colleges. Greenleaf will also continue to coach El Camino's golf team which won the state championship this past season.

Greenleaf received his B.A. from Pepperdine College and his masters from USC. Before coming to El Camino he taught at Morningside High School in Inglewood.

A Navy veteran, Greenleaf lives with his wife and four children in Redondo Beach.

Lomita Plans Basketball

The Lomita Recreation and Parks Department will sponsor an adult basketball summer league.

League games will be played on Tuesday nights at 7 p.m. beginning June 24.

Camino Selects Coaches

Two new assistant coaches have been named to the staff at El Camino College for the 1969-70 year.

Carl Mersola, defensive football coach at Mira Costa High School in Manhattan Beach, will replace defensive back coach Vince McCullough, who resigned recently to take a position at Saddleback Junior College in Orange County.

John Tomlinson of Poway High School in San Diego will assist track coach Bob Myers next season. Tomlinson has been head track coach at Poway for the past five years, and, according to John Morrow, dean of physical education and athletics at E.C., has developed several outstanding field event men.

Both assistant coaches are products of the junior college circuit. Mersola attended L.A. Valley College and Tomlinson received his A.A. from San Diego City College. Both were also members of football squads which competed against El Camino teams. Tomlinson was quarterback at San Diego.

Tomlinson received both his bachelors and master's degrees from USC. Mersola received his bachelors degree from Fresno State College and his master's from Cal State at Los Angeles.
