## Adventists Collect Funds For Hospital In Africa

Would you trade a gymnasium for a hospital? That's what the Torrance Seventh-day Adventist Church would do — if it had one.

The church has received a report from missionary Doctor Kenneth H. Sturdevant of Kendu Mission Hospital urging modern-

ization of present facilities. "The money required to build a single college gymnasium on the campus of our schools in the United States would rebuild Kendu Hospital," he says.

## Choir Date Scheduled By Baptists

On Tuesday, the Chapel Choir of Baylor University, Waco, Tex., will present a musical concert at the Narbonne Avenue Baptist Church of Lomita. The choir will be on its annual tour. Members have presented concerts all over the world.

Conductor of the 70-voice choir is Dr. Euell Porter. These talented young people may be heard at 7:30 p.m. in the church sanctuary. The public is invited.

**THE KENDU** Hospital, opened in 1924 at Kendu Bay in Kenya, Africa, has a capacity of 123 bed patients. "That's with the beds about one and a half feet apart," the doctor explains. In an average year 5,600 inpatients and 45,000 outpatients are treated at the hospital, he says.

In spite of buildings in poor condition, the hospital operates a training school for young Africans, reports Dr. Sturdevant. Courses are taught in nursing and midwifery. In 1967, the hospital began a medical technology course.

"AS LATE AS 1967 there was only one qualified African technologist in all of Kenya," the

doctor says. "The nearest hospital to ours is in Kisii, a town 25 miles away. Almost half of our patients are Kisii tribesmen," he adds.

Dr. Sturdevant, formerly a physician in private practice in Puyallup, Wash., has been medical director of the Kendu Hospital since March, 1966. He is a graduate of Loma Linda University.

A special offering will be taken at the Torrance Church Sautrday earmarked for Kendu Hospital. Other Adventist Churches throughout the United States and Canada will also contribute.

## Drama of Last Meal Re-enacted

The Wayfarers' Chapel, Lloyd Wright's glass-and-tree Church-by-the-sea at Portuguese Bend, is offering a special worship service Sunday afternoon at 5 p.m.

The Chapel Choir under the direction of Dorothy Simpson, will re-enact the Meal in the Upper Room, commemorated by Da Vinci's famous painting, "The Last Supper," at which Jesus Christ instituted the Christian Communion Service.

Dressed in Biblical costumes, the choir and the minister, the Reverend Robert Loring Young, will repeat, in a liturgically dramatic setting, the conversation of Jesus and His disciples as they sat for their last meal together in an upper room in Jerusalem.

The service will reach its climax with the administration of the Sacrament of the Lord's Supper from the upper room table. The public is invited to take part in this dramatic service.

## Easter Cantata Slated

John W. Peterson's Easter Cantata, "The Glory of Easter," will be presented by the choir of Central Evangelical United Methodist Church at 11 a.m. Sunday.

The Rev. Walter M. Stanton, pastor of the church, will read the scriptural narration taken from the gospel of Matthew.

Soloists will include sopranos Winifred Ruppel and Jo Ann Huber; tenor, Stanley Stanton; bass Glenn Briney and Douglas Briney; with a duet by Jo Ann Huber and Jo Ann Warning.

Mrs. Irene Hoy will direct, and Mrs. Hilda Findley, organist, will accompany the choir. Mrs. Hoy will sing "The Palms" preceding the cantata.

Chaplain James Dayen of Los Angeles Fire Department will be the guest speaker for the last of the Lenten services, at 7:30 p.m.

Maundy Thursday at 7 p.m. the service of Holy Communion will be held at the church, located at Marcelina and Arlington Avenues.

## 'Reality' Is Topic Sunday

The Golden Text that will be read at services in all Christian Science churches this Sunday is from Psalms: "Great is the Lord, and greatly to be praised in the city of our God, in the mountain of his holiness."

Passages to be read from the denominational textbook, *Science and Health with Key to the Scriptures* by Mary Baker Eddy, will include the following: "In the material world, thought has brought to light with great rapidity many useful wonders. With like activity have thought's swift pinions been rising towards the realm of the real to the spiritual cause of those lower things which give impulse to inquiry."

The subject of the Bible Lesson-Sermon is "Reality" and services at First Church of Christ, Scientist, 218th and Manuel Avenues, will begin at 11 a.m. All are welcome.

**SERIES** . . . Jerry Swall will present a series of Bible lessons at Calvary Community Church beginning April 1 at 7 p.m. Swall uses a black light to illustrate his lectures. Nursery care provided.
