Summer Session

California State College, rector of Summer Session, Cal-Dominguez Hills, will offer its first full summer session be-ginning June 23, college offi-cials have announced.

The summer session programs have been designed especially to meet the needs of the college community, Dr. Robert Bersi, assistant to the president, said in explaining the plans for the summer program.

One special program will be offered for elementary school children, Dr. Bersi said. It is the result of a survey of community opinion survey con-ducted by college officials and will provide "enriching" sum-mer experience for children identified as "gifted" or those children with special talents in science area.

children with special talents in science areas.

Enrichment classes for two groups of children will meet from 9:30 a.m. until noon beginning July 7. Classes will meet for four weeks.

Each enrichment classe will be limited to 25 students and the deadline for enrollment is April 13. Transportation to and from the college must be arranged by the parents, Dr. Bersi said.

Imposters Victimize Businesses

California businessmen this week were warned to be on the alert for persons representing themselves as employes of the Board of Equalization and re-questing access to books and

questing access to books and records.

Many businessmen have been victimized by the imposters, spokesmen for State Board of Equalization said.

To protect themselves, businessmen were urged to ask to see proper credentials from anyone claiming to be a board employe. All authorized employes carry proper identification and are prepared to present it at any time, it was noted.

The board spokesman also said requests for appointments after 5 p.m., on weekends, or on holidays should be viewed with suspicion since board offices are closed at those times.
