MRS. ARTHUR GRAYSON

Mrs. Lind Works To Aid Community

last lap of her second year as president of the Harbor Area YWCA, has never taken a breather long enough to dis-cover whether idleness leads to mischief.

As the mother of three sons (including twins Allan Jr. and John) and a daughter, Patricia (Mrs. John Boehm), the PTA claimed her during their school years. Now that Anthony, the oldest, is employed in the ad-ministration office (personnel) of Los Angeles City, Allan Jr. is attending U.C., John UCLA, and Pat has her own home, you might expect Dorothy to take things easy. But she doesn't.

Saturday mornings find her working as a legal secretary in her husband's law office in Wilmington, and weekdays aside from the YWCA she's a member of the Peninsula League of Women Voters, the Harbor Area Lady Lions, the Harbor-Peninsula Lawyers Wives of which she is a past president; on the advisory committee to the United Way; a member of the CARE Com-mittee to the Los Angeles United Way: on the board of the Wel-fare Planning Council; a volun-teer for Legal Aid, and a member of the USO board

She was canteen chairman for USO from 1961 to 1966. Last year she served as mobilization chairman for the Harbor Area United Crusade fund drive. She taught a class in art for two years (1965 and '66), at the North Branch of the Harbor Area YWCA, known now as the Carson YWCA Center.

Allan spend his boyhood in Wilmington and has practiced law there for 28 years. Dorothy lived in San Francisco and Ber keley and was graduated from San Francisco State College long before the era of campus disorders.

She is proud that the now traditional Yule Tea sponsored

MRS. ALLAN LIND

by the Carson YWCA center was launched during her term of of-fice. It evolved from a Y-Teen Yule Tea into an annual affair that engages the entire community, young and old.
