

## Young Vibrancy Tops Jaycette Activities

The future of Torrance is in good hands with such enthusiastic organizations as the Jaycettes, the wives club of the Jaycees, a group of young men organized for the betterment of their community.

The purpose of the Jaycee wives is to aid their husbands wherever possible in their community projects including the Miss Torrance Pageant, Community Fair and Carnival; Children's Eye Clinic; Christmas for the Needy; a mammoth annual benefit "A Las Vegas Night"; and the Reports and Recognition Congress, a statewide conclave which the local club will host in April.

Heading this active group this year is Mrs. Michael Zappitelli, who came to Torrance in 1953 and was married to Michael Zappitelli, a Pacific Telephone employe in 1956.

She is the mother of six chil-

dren, Denise 12; Michelle, 10, Teresa 8, Carol 6, Christy 4, and Janet 16 months.

To create friendship among the Jaycees wives a number of socials are held each year and presently the new president has initiated a District 12 mixer for all Jaycettes within District 12 to be held this month.

Mrs. Zappitelli, a native of Utah, moved to Los Angeles when she was five years old. She attended Washington High School and El Camino College.

Initiated into the Jaycettes in March 1965, she held the office of hospitality chairman that year; was recording secretary in 1966-67; second vice president in 1967-68, and assumed the presidency for 1968-69.

Her other affiliations include an active membership in the St. James Catholic Women's Council; membership in Fleur De Lis Tops; and working with the Girl Scouts.

## An International Touch

Of all her activities in communities around the world where she lived as the wife of a naval officer none has been more satisfying than her work with the Volunteers for Children at the Harbor General Hospital, so states Mrs. Andrew Dallendorfer of Palos Verdes, who will become president of this group in installation ceremonies at the Officers Club in Long Beach on March 27.

Mrs. Dallendorfer, whose husband is now retired from the United States Navy and is employed as an engineer in Lynwood, has been a member of the Volunteers for Children for four years. She has served the group as second vice president for two terms. She has spent her volunteer hours working in pediatrics and in the outpatient clinic.

The president-elect for many years worked with the Navy Relief, Red Cross, PTA and Scouting.

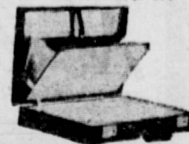

She is the mother of two children, a son, Tony, and a daughter, Lisa.

## Red Cross Voice Is Mrs. Jones

Life saving through recruiting blood donors for the American Red Cross has occupied the time of Mrs. Gordon Jones for the past 14 years. She is currently serving as Blood Recruitment Chairman for the American National Red Cross. This volunteer job requires the arrangement of approximately 30 bloodmobiles per year. Mrs. Jones is also a member of the board of directors for the Torrance-Lomita Branch.

Mrs. Jones and her husband were married in June 1942 at the St. Andrew's Episcopal Church in Torrance. They have resided in Torrance for 25 years and are the parents of a son and daughter.

For 10 years, Mrs. Jones was active with the Jaycettes of which she is a past president. During her children's school years, she was a member and officer of the Howard Wood PTA and for five years she worked with Boy Scouts, handling their publicity, and with the Girl Scouts as treasurer.

Mr. Jones has been with National Supply Co. for the past 28 years, their married son has been employed by the same firm for five years and their daughter has been working at the same place for the last year.
