Area Alpha Gamma Deltas

To Attend Reunion Day

Alpha Gamma Deltas throughout the United States and Canada will join in observance of International Reunion Day on Saturday, April 26. Festivities for the Los Angeles area will be held at the Brookside Golf Club Restaurant in Pasadena. Registration will begin at 11 a.m., followed by luncheon at 12 in the Mediterranean room.

Theme of the day, "Sentimental Journey," will be carried out in the form of a parade of fads and fashions of past college years. Apparel and accessories of yesteryear, preserved lovingly in the bottoms of old cedar chests, will be loaned by alumnae members and modeled by undergraduates from the sorority's USC and UCLA Chapters.

Alpha Gamma Delta was founded at Syracuse University in 1904 and now has installed 100 chapters, has over 230 alumnae organizations, and a membership of over 50,000. One of the first social fraternities to adopt an altruistic project, Alpha Gamma Delta has, since 1919, donated annually to camps for underprivileged children and to provide advance training for counselors giving vocational guidance to handicapped people. A symposium for cleft palate research is sponsored annually at Syracuse University and in 1962 a library was established at the Hearing and Speech Center at Syracuse. In 1964, the Alpha Gamma Delta Rehabilitation Project was established. This involves training grants to colleges and

universities for psychologists and educators interested in minimal brain dysfunction, and various other grants in the field of rehabilitation.

Serving as mistress of ceremonies will be Mrs. Leonard Martyns of Glendora, who is general chairman of the event. Miss Dorothy Orr of Covina will supply the commentary for the fashion review. The traditional Roll Call of Chapters will be conducted by Mrs. Richard Kincaid of Palos Verdes Estates. Assisting on arrangements from the South Bay area are Mrs. Peter Hanly of San Pedro, invitations, and Mrs. William Zinsley of Manhattan Beach, local publicity. Why would a bank vice president move his \$10,000 savings account to Western Fed?

Hugh Evans, Jr., President

Because if he needed those funds after only, say, 80 days, he'd earn \$111.80 at Western Federal—interest he couldn't get at his own bank!

To earn commercial banks' highest rate you must buy "Certificates of Deposit"... and you may withdraw those funds before maturity only in case of hardship, and then at less than full earnings.

Western Federal currently pays the highest rate available on insured savings. Wouldn't it be nice to know your savings would earn that rate whenever you needed them? 5.25% Bonus accounts also available.
