

Youngsters Will Vie For Musical Awards

Young musicians who would like to compete for music scholarships offered by the South Bay-Torrance Civic Symphony must make their applications no later than Friday.

Applications should be sent to South Bay Symphony, 1617 Via Monte Mar, Palos Verdes Estates, Calif. 90274.

The auditions will be held April 30 and May 1. Three \$100 scholarships for piano are offered. They will be awarded to a sixth grader, a seventh grader, and an eighth grader.

Another scholarship will be offered for an instrumentalist playing trombone, trumpet, or French horn. Finally, a violin scholarship in the form of lessons will be offered, but acceptance of the award must have the approval of the recipient's present teacher.

Contestants will be given three minutes each to play a

classical selection of their choice. Selections must be played from memory.

Every youngster will have a chance to win because judgment will consider rate of progress as well as talent and skill.

Winners will be featured soloists in the May Festival Youth Concert.

Applications must include name of entrant, address, telephone number, names of teachers and length of time with each teacher, instrument, and selection. Registration fee is \$1.

Apartment and Motel Owners To Meet Here

Stan Benson of the Better Business Bureau of Los Angeles will address members of the Apartment and Motel Association of California Tuesday, April 29, at 8 p.m.

Benson will discuss "Wise Buymanship."

The meeting will be held at American Savings and Loan, 205 So. Pacific Ave., Redondo Beach.

South Bay Chapter, to be held Friday and Saturday nights, May 2 and 3, in the El Camino College Auditorium.

SPEBSQSA stands for the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America Inc. It is a singing fraternity devoted exclusively to the singing of four part Barber-shop harmony.

Barberlesque will feature numerous acts and sketches, seven Barber-shop Quartets, and the 70-man Hey-Hey Chorus.

Fred Beelby, president of the 100 man local quartet club, has announced that for the Friday performance, tickets will be available at half-price

in blocks of 50 or more to local civic groups. The tickets may be resold at full price as a fund-raising project, or may be used to enable special groups to attend at reduced cost.

"Keep America Singing" is the motto of SPEBSQSA. The South Bay Chapter, which meets every Monday at 8 a.m. in the Meadows School, Manhattan Beach, invites men of all ages to join them.

Measles Clinics Slated in Area

"More than 9,200 children, age one through five, in the Torrance Health District are susceptible to the 10-day red measles," according to Dr. Hilda Hyort, Torrance District Health Officer.

"Measles is an extremely serious childhood disease, which can result in blindness, deafness, mental retardation, and even death. A safe and effective vaccine is available, and one dose will give lifetime immunity against the disease," Dr. Hyort said.

To decrease the number of children susceptible to measles, the Los Angeles County Health Department will hold free measles clinics throughout the County Saturday and Sunday, April 26 and

27, from 11 a.m. to 3 p.m. at the Torrance Health Center, 2300 Carson St.; and the Redondo Beach Health Center, 217 Beryl St.

Dr. Hyort urged all parents to make sure their young children are protected from measles. Preschool children who have not had either the disease or an immunization and are over twelve months old should be protected. Join the campaign and help the Health Department "wipe out measles" this year.
