

Obituaries

Brett Cullen

Graveside services for Brett David Cullen, infant son of Mr. and Mrs. Donald Cullen of 20454 Osage Ave., were scheduled at 11 a.m. today at Holy Cross Cemetery, Los Angeles.

Stone and Myers Mortuary was in charge of arrangements.

... ROTC

(Continued from Page A-1)

ed out by Captain Montz and Colonel Booth. Both the Navy and Air Force offer their programs as "enrichment" classes, it was noted, as well as ROTC programs.

CAPTAIN Montz, in charge of the Naval program in the Long Beach schools, said the Navy program is the newest of the three service programs. Emphasis is placed on science and academic study, with about 10 per cent of the actual time devoted to drill.

In addition, Naval ROTC cadets may take a number of field trips and, in Long Beach, many spend a weekend each month at sea aboard a destroyer escort. A few cadets also participate in a five-day Navy recruit training program each spring vacation, the captain said.

Captain Montz also noted the Department of Defense shares the cost of ROTC programs with local school districts.

THE AIR Force is perhaps the most flexible of the three ROTC programs, Colonel Booth told the group. It is designated as an aerospace education program and may not be taken in place of physical education.

The Air Force cadets drill one day each week and do not use arms of any kind, it was noted.

The Air Force program can be tailored for individual school districts, it was explained. Both the Army and Navy offer more rigid programs, although both have some degree of flexibility.

SPECIAL interest in a junior ROTC program has been expressed at West High School. Students there have petitioned the Board of Education to form a unit of the California Cadet Corps, a unit of the state militia.

Guests at Thursday's meeting included Bert M. Lynn, Burton Belzer, and Stanley Dunn of the school board; Dr. Robert Ford, West High principal; and Dr. Richard Guengerich, assistant superintendent of schools for secondary education.

Overhead Wiring Must Go

Utility wires on Torrance Boulevard between Madrona and Anza Avenues will be placed underground, following City Council action Tuesday to establish the city's first Underground Utility District. Poles, overhead wires, and associated overhead structures will be removed.

Estimated cost of undergrounding wires in the area is estimated at \$355,000. The money will come from a fund created by utility companies. In District One, Southern California Edison will pay \$275,000, General Telephone will contribute \$75,000, and Pacific Telephone will turn over \$5,000. Completion date is Dec. 31, 1969.

Estimated cost of converting the 65 underground serviced street lights is \$4,350 for the Edison-owned system and \$24,000 for the city-owned system. To pay for the city's share, \$8,600 will come from the general fund and \$16,000 will come from the undergrounding district, which will be repaid by benefitting property owners over a three-year period.

The cost to the affected commercial establishments and office buildings is estimated at \$100 to \$500, depending on the circumstances.

The only utility wire to be left above ground within the district are those servicing oil wells, as conversion costs would be prohibitive.

... Capitol

(Continued from Page A-1) Robert Beverly and Larry Townsend met with the delegation during the lunch hour. Assemblyman Vincent Thomas is still away from Sacramento following heart surgery.

"I feel we accomplished more in Sacramento today than on any previous visit," Mayor Isen said Wednesday evening. Others echoed his comments after spending the day talking to legislators and officials in many state departments, ranging from the corporation commission to the division of highways.

"I think this has been a wonderful experience, and I hope you make it an annual affair," Senator Dills told the group at dinner before they left for home. Also joining the group for dinner was Assemblyman Townsend, Mrs. Townsend who had gone up from their Torrance home for a short visit, and Norma Pratlou, secretary to Townsend. Miss Pratlou made many of the Sacramento arrangements for the visit.

POSTER GIRL HONORED ... Supervisor Burton W. Chace greets Christine Oliver, 5, of San Pedro, Los Angeles County's Poster Girl for the March of Dimes. Christine, of 2660 Dolphin Ave., San Pedro, visited with the supervisor at recent meeting to promote the fund campaign, which features a "Go Mod" theme.

Standard Time Still Prevails

Presbyterians will sleep an hour longer than others Sunday. The Rev. Max E. Greenlee, pastor, reports that St. Mark's Presbyterian Church, 24027 Pennsylvania Ave., will follow a custom of several years, and will hold the 9:30 and 11 a.m. services on April 27 on standard time.

Members are urged not to set watches and clocks ahead until after Sunday noon. This procedure has helped in former years to avoid confusion, and it is hoped that everyone will arrive at the church at the proper time.

The sermon for this Sunday is the third of a series on "Know Your Church." The junior choir will sing, "Let There Be Light," under the direction of Mrs. Greenlee.

Sunday school is held at 9:30 a.m. An adult-supervised nursery is provided during the 11 a.m. worship period.

At 3 p.m., daylight time, some members of the church choir will sing in the interfaith choral group at the dedication of the new Menorah Temple sanctuary.

On Saturday, members of the Mariners Club will attend the presentation of the Ramona Pageant.

REACT Unit Organized In Gardena

Formation of a new chapter of the Radio Emergency Associated Citizens Team (REACT) in the Gardena area has been announced by Gina Lucero, who will serve as secretary of the new group.

Purpose of the organization is to help individual citizens where help is required and to assist police and other agencies with communications during emergencies.

The group also conducts searches for lost youngsters and runaways.

Members of REACT are citizen band radio operators who will provide assistance to motorists by calling for tow trucks, police, or other assistance when it is needed on the highways. The group also provides road and weather information.

Silent Alarm Leads to Arrest

A silent alarm led to the arrest of a burglary suspect early Wednesday at D&B Pharmacy, 2147 W. 182nd St.

Police arriving on the scene at 3 a.m. nabbed George D. Hicks, 28, of 1720 Gramercy Ave. The air vent on the roof of the pharmacy had been punched off, police said.

Homeowners Will Meet On Monday

A "Dime and Half Dip Dinner" will be featured at the regular meeting of the North Torrance Property and Homeowners' Association Monday. The dinner, which is open to the public, will be served at 6 p.m. at the Higgins Brickyard patio room. Food will be donated by members of the association.

Mrs. Clyde Sewell, 2815 W. Artesia Blvd., is chairman of the dinner committee. Other members are Mrs. Jerome Diesman, and William Largent.
