

**SAY GOODBYE . . .** Mothers wave goodbye to some 50 retarded children and their chaperons as they take off for a trip to Universal Studios. The social event was co-sponsored by the Southwest Association of Retarded Children and the Los Angeles County Department of Parks and Recreation.

## Theater Display Slated

The Navy-Marine Corps mobile Cine-Globe Theater will be on display during Armed Forces Week at the Torrance Civic Center.

The theater will be set up near the intersection of Madrona Avenue from Saturday, May 10, through Sunday, May 18.

Utilizing a special projection lens and a hemispheric screen, the Cine-Globe Theater displays a three-dimensional film depicting "The Navy-Marine Corps Team in Action." The nine-minute film was made originally for showing at the 1964-1965 New York World's Fair.

The film consists of action scenes of the Navy and Marine Corps participating in routine operations. Photographed with a camera containing a special fish-eye lens, the film creates an unusually realistic three-dimensional effect when projected on the hemispheric screen, which virtually surrounds the viewer and places him in the center of the action.

**THE VIEWER** catapults off one of the Navy's largest attack carriers in an F-4B Phantom jet fighter. Following this thrilling experience, he returns to the carrier for arrested

landings and additional takeoffs. In flight maneuvers and strafing runs give him the feel of a Navy-Marine air mission.

The scene shifts, and the viewer finds himself participating in a shore bombardment and beach assault. In Navy amphibious operations he goes ashore with the Marines in a landing vehicle and storms through the dense jungle in a Marine tank.

The mobile Cine-Globe Theater is fully enclosed and seats 220 people. Standing room is available for additional spectators. Admission is free.

## Youths Visit Studio

Highlight of the spring season for 35 retarded children, their parents and teachers, all members of the Lennox Park Wednesday Group, was a trip to Universal Studios.

Co-sponsored by the Los Angeles County Parks and Recreation Department and the Southwest Association for Retarded Children, the group meets each Wednesday, from 10 a.m. to 2 p.m. in the recreation hall at Lennox Park.

Mrs. Grace Beatty, Lennox Park recreation supervisor, arranged the social event and was assisted by Mrs. Ella Mahon, group mother contact, in planning the days events.

During the outing, the young adults were able to visit movie sets, meet celebrities, and watch how movies and TV shows are filmed.

Regular Wednesday activity sessions consist of crafts and sports from 10 a.m. to noon, lunch from noon to 1 p.m., with music and games occupying the balance of the day. Mrs. Julie Davidson, recreation specialist, serves as the group's teacher.

## Language Festival Planned

A spring foreign language festival will be held on the El Camino College campus tomorrow, under the sponsorship of the foreign language department of the college.

The festival will feature foreign language films, entertainment, and tours of the campus. Students from foreign language classes will serve as guides on tours of the campus. The festival will begin in Campus Center at 2 p.m.

The program is designed as "an orientation for high school seniors who are interested in enrolling in foreign language classes at El Camino," Dr. H. Lee Swanson, dean of the Division of Communications and chairman of the festival, explained.

cial support from the Southwest Association for Retarded Children, a non-profit organization serving 18 area cities.
