

WHY PLAY FOR PENNIES? WE PAY OFF IN DOLLARS!

WHAT ABOUT OUR
NEWEST COMPETITOR?
TOO NEW TO RATE!
BUT LET'S COMPARE

RENAULT 10

• Our newest friend costs \$1995.00 PLUS-PLUS-PLUS. We still sell for \$1795 NO PLUSES. YOU JUST MADE \$200

• He offers regular old type tires (about 18,000 miles of wear). We offer radial ply tires (about 60,000 miles of wear) YOU JUST MADE \$200

• He offers 22 miles per gallon (based on 18,000 miles per year). We offer 35 miles per gallon YOU JUST MADE \$106.40

RATED NO. 1 IN USA IN
UNDER \$2000 CLASS BY
ROAD TEST MAGAZINE.

\$1795

So far you're \$506.50 ahead and would you believe; I could keep going?
Oh yes, let's talk about comfort, convenience & safety

• Our seats, CONTOURED BUCKETS with full foam rubber throughout and covered with the toughest vinyl money can buy, have been compared with those in a Rolls Royce. His seats are OK—but they're just that—OK, even a little on the skimpy side.
• Our brakes, 4 wheel disc brakes, have been rated among the best in the business. He doesn't have disc brakes—too expensive. His big brother, the bird, has them as an extra option for well over \$100, so I know his father likes them.
• Our new colleague is a cute little guy with 2 doors, and he's fine for two people; but the back seat with no rear doors and a sloping roof line will create loading and seating problems.

REALLY NOW, FOLKS... IF MONEY, COMFORT AND CONVENIENCE
WON'T TURN YOU ON... PLEASE TELL US WHAT WILL—IF
IT'S LEGAL, WE'LL PUT IT IN THE CAR!
